Shipping label & checklist

Detach and stick the shipping label below to the outside of your box.

BEFORE YOU SEND IT...

☐ **Unlock your device**

Make sure you have turned off any password protection from your device so we can test it. Leaving it locked could delay payment.

☐ **Save your data**

Save your photos and files. If your device has an SD card, don't forget to remove it. We will erase all the information from your device.

☐ **Send just your device**

Please do not send in any extra items that you did not submit online. We cannot pay you for additional items.

☐ **Deactivate your service**

It's very important that you contact your carrier to terminate service on the device and pay any remaining balance on your bill.
